Applicant: City of Big Bear Lake

Agent: McHugh Consulting

Project Name: Veteran's Park

Receiving Water: Unnamed drainage, tributary to Big Bear Lake

Project Description: The proposed project involves the development of a public park over a vacant parcel of land. Construction will include a concrete walkway with benches and picnic tables, a concrete slab memorial area, and a gazebo. A small drainage swale located along the east side of the proposed project will be replaced by a culvert pipe. The project will permanently impact 0.055 acres of streambed. The proponent has proposed to create 0.04 acres of landscaping over culvert and will relocate 0.0067 acres of willows on-site to an adjacent wetland area to the north and northeast of the site.
